June 4. SCRIBE-MOX.

FRENCHBURG, KY., May 29, 1900.

To the democrats of the 10th congressional district, after mature deliberation, I have decided not to allow my name to be placed before the party as a candidate for democratic nomination for congress in this district. I am deeply grateful to my friends for their manifestations of interest in my behalf and for their tendered support, and to the bulwarks of democracy—the country editors—I tender my thanks for the kindness shown me. While I would have felt greatly honored by the nomination, and admitting that I had inclinations to enter the race, but after due consideration I have decided not to be a candidate. Hoping that my withdrawing may simplify the situation, and pledging my warmest support to the nominee of the Paintsville convention. I again thank my friends for their numerous solicitations and offered support.

Most respectfully,

W. C. TAYLOR.

THE BEST

Food for Intellectual Thought.

No man can vote intelligently unless he thinks intelligently. In this time of "wars and rumors of wars" the greatest aid to intelligent thinking and the best food for intelligent thought is that newspaper which is greatest and best.

Important political issues are daily growing more important. An intelligent understanding of the policy of a nation or a great political party is something to be desired, and it is the duty of every citizen to thoroughly inform himself upon the leading topics of the day.

THE SEMI-WEEKLY REPUBLIC is the greatest and best of all newspapers. Its telegraphic and cable news service excels that of any other paper. It prints the news fully; not imaginative occurrences, but domestic and world-distant, fully authenticated facts.

The policies of the great political parties are now being formed and the candidate discussed. Now is the time to subscribe for the best medium of keeping in touch with the whole world—THE SEMI-WEEKLY REPUBLIC.

No less worthy of attention is THE REPUBLIC'S Sunday Magazine. It is replete each issue with the best of special articles written by the best of literary talent. Its beautiful half-tone illustrations have already made it famous and their quality and quantity will be preserved.

News features of absorbing attraction are illustrated and enlarged upon in a manner equal to the high priced magazines. Events of current interest are set forth in enterprising style. There is humor in its pages, too, and for the benefit of the ladies the latest Paris fashions are each week exquisitely illustrated and described. THE REPUBLIC'S Sunday Magazine is standard.

The subscription price of THE SEMI-WEEKLY REPUBLIC is \$1.00 per year. THE REPUBLIC'S Sunday Magazine \$1.25 per year. Both papers are now being offered at the low price of \$1.50 for one year. To secure this low rate both must be ordered and paid for at the same time. Address all orders to THE REPUBLIC, St. Louis, Mo.
